Antes de empezar

Consulta el apartado correspondiente a la anchura y altura de tu caja de luz. Sigue el orden de los pasos y las referencias de piezas indicadas en los esquemas.

ADVERTENCIAS DE SEGURIDAD

Si el cable exterior de esta caja de luz está dañado, solo el fabricante debe sustituirlo.

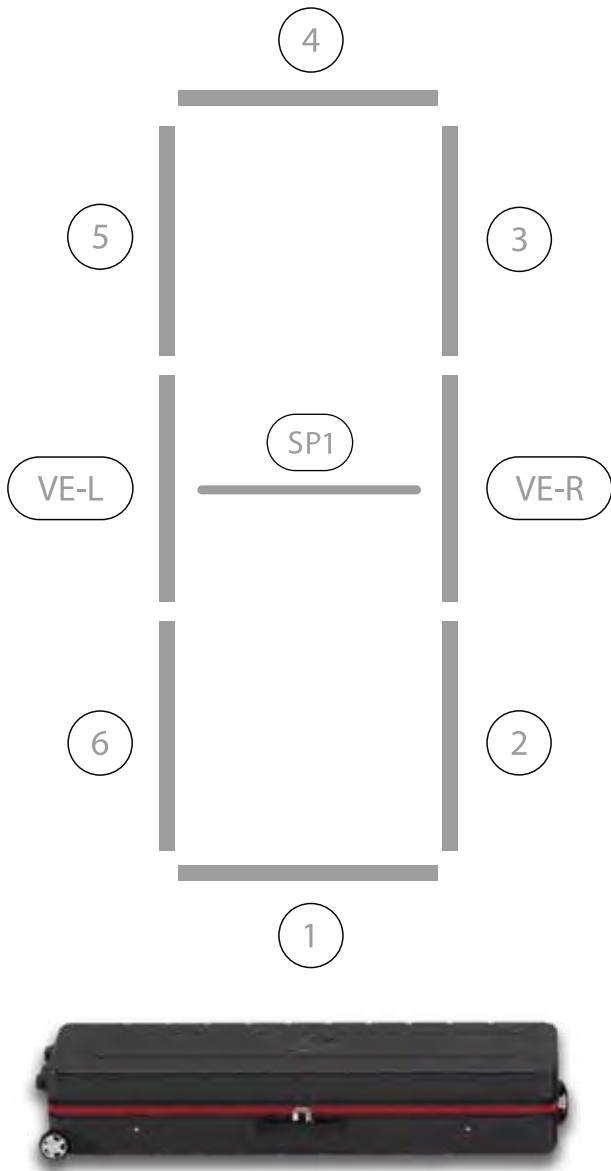

La fuente de luz LED no es sustituible por separado. Cuando alcance el final de su vida útil, deberá sustituirse el módulo LED completo.

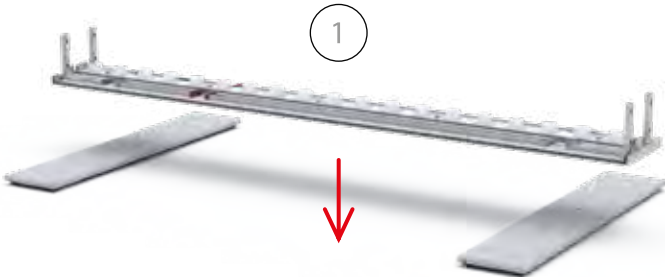

Conserva estas instrucciones para futuras consultas.
